Scope

This policy covers the safeguarding of Children and adults at risk amongst Peak Apprentices, and all Peak Learners.

Safeguarding means the;

- Protection from abuse and neglect
- Promotion of health and development
- Ensuring safety and care
- Ensuring optimum life chances

Peak Accountancy Training recognizes that all members of staff have a crucial role to play in safeguarding the welfare of young people and vulnerable adults and preventing their abuse. Peak Accountancy Training believes that every young person has the right to a safe environment in which to thrive. This policy focuses on protection from abuse and neglect and is designed to provide a basic procedure which should be followed in the circumstances defined in the definitions section below.

Definitions

Abuse

Abuse is behaviour towards a person that either deliberately or unknowingly causes a person harm, or endangers their life or their human or civil rights. It can be passive, e.g. failing to take action to care for someone, or failing to raise the alert about abuse; or active, e.g. hitting, stealing or doing something that causes harm. Abuse can be a one-off or something that is repeated.

Abuse can be:

- Physical
- Neglect or acts of omission e.g. being left in wet or soiled clothing, or malnutrition
- Sexual
- Financial
- Psychological/emotional (including the use of text, social networks and email)
- Violation of rights e.g. preventing an individual speaking his/her thoughts and opinions
- Institutional e.g. failure to provide a choice of meals or failure to ensure privacy or dignity
- Discriminatory in nature e.g. racial, sexual or religious harassment

In the case of vulnerable adults it may also include:

- Physical abuse such as pushing, shaking, inappropriate restraint, force-feeding, forcible administration of medication, neglect or abandonment
- Financial abuse such as exerting improper pressure to sign over money from pensions or savings. Etc

Children and young persons

In terms of this policy, 'child, children and young people' mean those under the age of 18 as defined by the Children Act 1989. This policy applies to students in this age group attending a further education course and young people.

Vulnerable adults

A vulnerable adult is a person aged 18 years or over who may be unable to take care of themselves or protect themselves from harm or from being exploited.

This may include a person who:

- Is elderly and frail
- Has a mental illness including dementia
- Has a physical or sensory disability
- Has a learning disability
- Has a severe physical illness
- Is a substance misuser
- Is homeless

This also applies to temporary conditions.

Policy statement

This policy is informed by, and adheres to, the requirements of the Cheshire West and Chester Safeguarding Children Partnership, Cheshire East Safeguarding and Childrens Partnership, Liverpool Safeguarding Childrens Partnership. The policy takes in best practice and developments in the safeguarding of both children and vulnerable adults and is reviewed on at least an annual basis.

Peak Accountancy Training is committed to providing a safe space and environment in which its apprentices and learners can study and thrive to provide them with opportunities. Peak Accountancy Training will work together with other agencies to ensure the safeguarding and promotion of welfare and to complying with procedures.

This policy applies to all staff employed by Peak Accountancy Training including temporary and hourly paid, agency staff, sub-contractors and volunteers. All have a legal responsibility to take seriously any concerns about neglect or abuse that come to their attention and to follow the procedures set out below.

Students who have concerns about other students or the behavior of adults towards them can use this policy to ensure they are taken seriously.

It is not Peak Accountancy Training's responsibility to investigate abuse. Nevertheless, it has a duty to act if there is a cause for concern and to notify and liaise with the appropriate agencies sharing information so that any necessary action can take place. Any suspicion, allegation or incident of abuse must be reported to the Peak Designated Safeguarding Lead or in their absence their deputy as soon as possible and in any event within two hours.

The designated Safeguarding Lead is responsible for ensuring:

- That all Peak staff receive annual training and updates on safeguarding by attending a DSL related course.
- That relevant information and material is effectively communicated to staff.
- Peak Accountancy Training will operate safe recruitment procedures and ensure that DBS checks are carried out on all new staff, which are renewed on an annual basis.

The deputy safeguarding leads will be responsible in the absence of the DSL.

Peak Accountancy Training will ensure that one of the DSL or deputy DSL are always available.

Promotion and Commitment

Peak Accountancy Training takes seriously its duty of pastoral care and will be proactive in seeking to prevent young persons and vulnerable adults becoming the victims of abuse or neglect. It will do this in a number of ways:

- Through the creation of an open culture which respects all individuals' rights and discourages bullying and discrimination of all kinds
- By identifying a Designated Safeguarding Lead who will lead and have overall responsibility for safeguarding young people supported by Peak staff who will have all received training in this field and who will share advice and support.
- By informing young people of their rights to be free from harm and encouraging them to talk to Peak staff if they have any concerns
- Through the apprenticeship program and an on-going program of support, at an appropriate level, to promote self-esteem, social inclusion and address the issue of safeguarding children and young people in the wider context. Safeguarding discussions are included in each 6 weekly apprentice review. Safeguarding training is set at each first apprentice review and followed up by a quiz on the second review to confirm their understanding.
- By including discussion of safeguarding in all team meetings
- By including discussion of safeguarding in all monthly catchup discussions between the work based advisors and the funding manager
- Each month the DSL produces and distributes to all apprentices a safeguarding newsletter on safeguarding issues relevant to Peak apprentices. The intention is to inform and educate.

Reporting procedures

Any suspicion, allegation or incident of abuse must be reported to a Peak designated person with responsibility for safeguarding as soon as possible and in any event within two hours. If after careful assessment the designated person considers that there is reasonable cause to suspect abuse they must, as a matter of urgency, discuss the matter with the Social Services, the Duty Social Worker or the Police Service Child Protection Unit to determine whether it is a child protection matter. In making the assessment the designated person should refer to the guidance.

In the case of a safeguarding issue with a child the designated person shall discuss with the Social Services department what action should be taken to inform the parents of the student or child, unless to do so would put the young person or child at risk. A note of that conversation should be made.

Where in exceptional circumstances a member of staff deems there to be an immediate risk to a young person and it is not possible to contact a Peak designated person or one of the owners within the same day, they shall report the matter – normally by telephone directly to the local Social Services Department, Duty Social Worker or Police Service Child Protection Unit. The staff member shall notify Peak Accountancy Training designated person as soon as possible and normally within one working day of the action taken and submit a written report of that action and the circumstances leading to it.

A detailed reporting procedure is described below and should be followed by the member of staff:

If a safeguarding issue, allegation or suspicion of abuse is discovered or disclosed by a student, then they should inform a member of staff as soon as possible. The member of staff will then follow the process detailed below.

A member of staff discovering a safeguarding issue, allegation or suspicion of abuse will, similarly, follow the process detailed below.

The following procedure should be followed.

- If a child or young person has approached you, make sure they know they have done the right thing.
- If a student/staff member has been told about the allegation of abuse in confidence, they should attempt to gain the consent of the student to make a referral to another agency. However, the gaining of the consent is not essential in order for information to be passed on. Consideration needs to be given to: The scale of the abuse, the risk of harm to others, the capacity of the student to understand the issues of abuse and consent.
- Listen carefully to their story and respect their rights.
- Notify the child or young person that only the people who need to know will be informed.
- Don't try to solve the situation yourself or confront anyone.
- Remember to take all claims seriously.
- Complete a Peak Disclosure Reporting Form. Write up their narrative, giving as much detail as possible. Remember to include date and time, what was said and any names and locations.
- Don't disclose any information to non-relevant parties.
- The member of staff should email the report to the Designated Safeguarding Lead using the email safeguarding@peakaccountancytraining.co.uk. The safeguarding lead will discuss the matter with the member of staff and carry out a risk assessment to decide on the most appropriate course of action. This would include contacting the local children's safeguarding partnership, adult safeguarding board or the police. The written record will be stored safely within the Peak SharePoint.
- If the DSL is unavailable contact the deputy DSL.
- If neither are available and you believe the situation to warrant further action, contact a child protection agency, adult safeguarding board or the police.

If there is any doubt about whether or not to report an issue to Social Services, then it should be reported.

In emergency situations (e.g., where there is the risk or occurrence of severe physical injury), where immediate action is needed to safeguard the health or safety of the individual or anyone else who may be at risk, the emergency services must be contacted. Where a crime is taking place, has just occurred or is suspected, the police must be contacted immediately.

Allegations against a member of staff

Record in full, as soon as possible, the nature of the allegation and any other relevant information.

Report the allegation/incident to the Designated Safeguarding Lead or in their absence the deputy designated safeguarding lead as soon as possible and within two hours.

Ensure the safety of the young person in question and any others who may be at risk.

Report the matter to social services and follow guidance from the Cheshire West Children's Safeguarding Board, Cheshire East Children's Safeguarding Board, Cheshire West Adult Safeguarding Board, Cheshire East Adult Safeguarding Board, Liverpool Safeguarding Children's Partnership, Merseyside Adult Safeguarding Board. Consideration will be given by the owners as to whether the member of staff should be suspended on full pay pending the investigation.

The Owners of Peak will be responsible for any decisions on suspension. Any suspension will follow Peak procedures. The length of any suspension will be in line with Peak policies and will be as short as is possible while ensuring the safety of the child or adult. Suspension should not necessarily be an automatic response to an allegation and all allegations should be dealt with quickly, fairly and consistently.

Written Records

The Designated Safeguarding Lead will retain a copy of all disclosure reporting forms, notes, memoranda or correspondence dealing with the matter, and any other relevant material. Copies of reports, notes correspondence will be kept secure at all times within SharePoint with access restricted to the Designated Safeguarding Lead, their deputy and Peak Owners.

The member of staff who has cause for concern shall make a full record as soon as possible using the Peak Disclosure Reporting form. The record should include the nature of the allegation and any other relevant information including:

- Date, time and place where the alleged abuse occurred.
- Names of others present.
- Name of the complainant and, where different, the name of the young person who has allegedly been abused.
- Nature of the alleged abuse
- Description of any injuries/incidents observed.
- The account which has been given of the allegation

DBS checks

DBS checks Currently all existing, newly recruited staff and volunteers who have contact with students are subject to an Enhanced DBS check with the services being provided by SVS screening. On receipt of their first check, all staff are asked to enroll into the annual refresh which auto renews the enhanced DBS check each year.

IT Monitoring

IT equipment provided to both staff and learners is subject to monitoring through the use of OpenDNS. In addition to monitoring, filters are applied to Peak Accountancy Training systems which will restrict access to harmful content. A log will be kept and reviewed to enable patterns of inappropriate access to be identified and challenged. Attempted access to blocked content is reviewed weekly and reports are kept and filed on Peak SharePoint. The reports are overseen by the Owners.

Confidentiality

Staff must not under any circumstances discuss or disclose information to any person other than those immediately involved in the case or as necessary according to the policy.

Monitoring

The Designated Safeguarding Lead is responsible for ensuring that regular reports are made to the Board and Advisory Board. Each board meeting has a specific agenda item for safeguarding.

Currently all existing, newly recruited staff and volunteers who have contact with students are DBS checked with the services being provided by SVS screening.
